PROFESSIONAL SUMMARY

Japanese–English bilingual professional with JLPT N1 certification, native Mandarin and Cantonese, and fluent spoken English. Background spans public-facing service roles, financial administration, and Japanese-language content for international audiences. Proven ability to manage high-volume guest and public interactions with patience and professionalism, handle cash and financial records accurately, and work effectively in structured, fast-paced environments. Organized, adaptable, and motivated by delivering a consistently positive experience to every person I interact with.

WORK EXPERIENCE

Japanese Localization & Content Specialist

Feb 2025 – Present

Yishang Information Technology Co., Ltd. · Shenzhen, China

- Serve as the primary Japanese-language point of contact for internal teams, handling all Japanese communication, translation requests, and language quality review.
- Coordinate with product managers, designers, and cross-functional teams to gather requirements, manage timelines, and deliver outputs on schedule — maintaining clear records of each project's status.
- Manage a concurrent workflow across multiple projects, consistently meeting deadlines while maintaining accuracy and attention to detail throughout.

Finance & Administrative Staff

Jun 2021 – Apr 2022

Township Government Finance Office · Maoming, Guangdong, China

FINANCIAL ADMINISTRATION

- Processed financial documents, managed budget records, and compiled annual financial reports using Excel and office database systems — maintaining accuracy and auditability at all times.
- Handled payment records and financial data entry with a zero-error standard, ensuring all figures reconciled correctly before submission.
- Prepared regular reports and administrative documents for internal review, managing version control and stakeholder distribution.

PUBLIC SERVICE & COMMUNICATION

- Rotated to community-level service posts, serving as the direct point of contact for residents' questions and concerns — independently assessing each situation and identifying appropriate solutions or referrals.
- Managed a wide range of inquiries from members of the public, including complex or sensitive cases, maintaining composure and a solution-focused approach at all times.
- Coordinated between government departments to follow up on unresolved cases, ensuring every inquiry received a clear response and outcome.

Customer Service & Cashier (Part-time)

2017 – 2021

Retail & After-Sales Service · Maoming, China

- Operated cash registers, processed transactions, handled cash floats, and balanced daily takings in a high-traffic retail environment.
- Managed customer complaints and after-sales inquiries, providing clear and calm resolutions to ensure customer satisfaction.

EDUCATION

South China Agricultural University

Sep 2017 – Jun 2021

Bachelor of Arts in Japanese Language · School of Foreign Languages · Guangzhou, China
